Covenant Reformed Baptist Church

The Lord's Day
18 February 2018

Covenant Reformed Baptist Church is a conservative, Bible-believing church, striving to promote the glory and enjoyment of God. We hope you will find our worship to be reverently and joyfully God-honoring, Christ-centered, and Spirit-filled. We are "Reformed" in our theology because we embrace those biblical truths and practices that were central to the Protestant Reformation, such as salvation by *grace alone* through *faith alone* in *Christ alone* for the *glory of God alone*. We also believe that the *Scripture alone* is the authoritative and sufficient basis for all of faith and life, and therefore we give the exposition and application of God's Word the central place in our worship. For more information about our church, please contact us for an information packet and confession of faith.
